-  **Virtual Assistant Extraordinaire!**
-  **Day of Event Support Dream Team!**

VIP Assistant Highlights

Sync AI Chat Superhero!

Need a little help getting those speaker profiles and session descriptions sorted? Just say hello to our Sync AI Chat! It's like having a trusty sidekick at your fingertips, ready to populate your event content without breaking a sweat. Seriously, it's like magic!

Virtual Assistant Extraordinaire!

If you crave even more help, our Virtual Assistant is your best friend! We will assign you a superstar Assistant who's dedicated to pre- and post-event magic- think data population, updating the agenda, and keeping tabs on speakers and sponsors. Plus, they'll pull those all-important reports for you so that you can bask in the glory of event success without the hassle.

Day of Event Support Dream Team!

Planning an event can feel like a juggling act, but you don't have to do it all. If you want that extra layer of support you'll get a dedicated team that swoops in to handle all things registration, giving you the freedom to focus on the BIG stuff—like ensuring your keynote speaker is properly caffeinated!
